WIN

COOL

A graphic design featuring the word 'COOL' in a large, bold, black, sans-serif font. The letter 'O' is the central focus, with several arrows pointing towards it from the left. There are two red arrows and two grey arrows. The red arrows are solid, while the grey arrows are semi-transparent. The background is white with a faint, repeating pattern of the word 'COOL' in a light grey color, creating a textured effect. The overall composition is clean and modern.
